	30	4,946	60	655	17	37

25X1 [REDACTED] Comment. As compared with the last reported period, the number of cars loaded for the Soviet occupation forces was above normal in the Berlin railroad district throughout the reported period and in the Magdeburg, Halle, Erfurt and Dresden railroad districts on a few days. This increase is possibly connected with the movement of AAA units from and to the Musterow and Altengrabow troop training grounds [REDACTED]
